**Keith Schiller of
Schiller Law Group, A Professional Corporation**

“Estate Planning for Business Owners & Wealthy Individuals”

Keith Schiller, JD is dedicated to excellence, for his profession and career. He is routinely requested by clients and other professionals to help solve complex problems, achieve major tax savings, and advise an extensive range of issues. Keith lectures on estate planning to professionals approximately 12 days each year, teaching to over 1,700 professionals annually. He has authored 10 course texts, written numerous articles, and assisted hundreds of clients and professionals with their thorniest problems. Keith is among a select few attorneys in California to be dually certified in two specialties by the California State Bar. He received the California CPA Education Foundation's award for Outstanding Teaching Materials in 2001, from the curriculum of over 150 courses and 600 events offered by that acclaimed organization.

In addition to legal expertise, Mr. Schiller has extensive strategic planning, marketing and planning experience, which can affect the growth and organization of the businesses of clients and professional firms. His advice is regularly sought by accountants, attorneys, and clients throughout California.

Mr. Schiller's focus with estate planning began at Boalt Hall School of Law, where he selected several estate planning electives. Having begun practice in 1974 with his father's firm, Keith received an entire to a clientele a generation his senior. This exposed Keith to a range of issues and net worth of client that is not normally occasioned by a young attorney. His commitment to estate planning excellence has endured through the years. Keith has lectured professionally in California, Nevada, Arizona, Oregon, British Columbia, Washington, and Hawaii.
